# GLOBAL JET

ALWAYS A STEP AHEAD

2018 has nearly started and Global Jet can already draw-up a positive report for the year to come. The European Leader in Business Aviation keeps on growing; its expansion strategy is based on a regular scale. Our goal is the satisfaction of our customers and no compromise will be made on the quality of service the company is known for since 18 years' states Abner Tato, Vice President Marketing and Inflight Quality.

Since the beginning of 2018, 5 aircraft joined the fleet and the company expects to add another 10 aircraft in the months to come, either fully private or commercial; these aircraft confirm the major role Global Jet plays on the private aviation market. With more than 75 aircraft, 28 different types, from all sizes and manufacturers

## 18 YEARS OF EXPERTISE AND ABOVE ALL STANDARDS

Global Jet is the key player in its field offering a diversified offer on the charter market. Proud to announce the expansion of the charter fleet in the past 3 months with a one-of-a-kind Global Express, featuring a unique interior and by providing an extraordinary ultra-long range, and by the addition of two Global 5000 charter friendly aircraft. With all the current and new jets available, 2018 shows already a promising an amazing year in terms of charter hours and revenue comments Leonard Bertholet, Charter Sales Director.

Our Aircraft Sales and Acquisitions Department in Monaco has been extremely successful as well. In terms of fresh sales, just to mention a few, a Gulfstream 650, a Global 5000, a Global XRS and a Falcon 7X have been recently sold thanks to the company's savoir-faire.

The web page [www.globaljetconcept.com/content/sales-acquisitions](http://www.globaljetconcept.com/content/sales-acquisitions) speaks for itself.

Our Primary advantage lies in our in-depth knowledge of this business. With our experience, long standing relationships with the main manufacturers, efficient networks, administrative and technical expertise, we assist our customers every step of the aircraft sales and acquisitions process by optimizing their resources, Says Hardy Sohanpal, Aircraft Sales Director.

Furthermore, a new charter department has been created in Monaco with the arrival of a new “Charter Sales Executive”, Nils Lovag. Having a strong experience in the “brokerage” field, Nils Lovag, will advise customers and find optimal solutions adapted to the client’s needs. A large number of our aircraft pass by the Riviera during the high season, this would give us the opportunity to meet the growing demand of the region by sharing our experience and expertise.

After a long and intensive study of the market needs, Global Jet is proud to officially announce the opening of a brand new office in Madrid airport and by enlarging its team with the arrival of a new colleague, Alan Sanz Aubert. Global Jet is operating 3 aircraft from the Spanish Capital amplifying their charter offer in a new segment and enabling us to serve the Spanish Clientele with the same high service, quality and safety standards.

Global Jet Moscow office is a major key player in our structure. In order to reinforce our local presence and to serve better our Russian customers; the team keeps on growing with the addition of 3 Charter Sales Executives and has move to new modernised offices in the Centre of Moscow.

We have an enormous market experience and a solid charter fleet; our attention to detail goes far beyond expectations and it's much appreciated by our local clientele. Global Jet Moscow is more than ever stronger to serve the Russian market says Evgeny Klochkov, Business Development Director Russia and CIS.

In addition, we offer now a Global Express XRS and Gulfstream G650 for Charter from Moscow.

Finally, the Global Jet office in Paris is pursuing its growth by increasing its fleet with a CJ4 Citation, a Falcon 2000, an Embraer Legacy 600, a Falcon 7X, an Airbus A318 and a Boeing BBJ3; a large range of aircraft to meet all types of requests.

The ideal location of the Paris office in the airport "Le Bourget" allowed us a direct and personalized contact with our clients. This enabled us to perform an exceptional tailored service at any time and adapted to our client's needs, mentions Stéphane Cassifour "France & Benelux Director".

Global Jet is built to serve the clients anywhere around the world and their transparent way of working and contracting also allows them to be flexible and tailor any of their clients wishes.

EBACE 2018 is just around the corner and as one of the major actors of the convention; Global Jet has increased his booth presence and created a unique concept to his visitors. Geneva being our home base and with stunning offices we couldn't miss the opportunity to bring our guests to our facilities. We will revisit our premises by offering a VVIP service to our visitors. Our starred Chef and inflight cabin service will offer a foretaste of the service we offer above the clouds! Comments, Margo De Kalbermatten, Marketing Coordinator

In addition, our sister company "Jinggong Global Jet", which continues to grow, was present at ABACE 2018, in Shanghai. Jinggong Global Jet has also shared a successful year in 2017, with a new record of more than 600 hours flown. Their goal for the coming year is to continue their expansion as well as to increase their charter offer while increasing their level of service.

With over 650 employees worldwide Global Jet has the right philosophy and ingredients to continue leading the market at the highest level.
