*"Luxury is a state of mind"*

## **JINGGONG GLOBAL JET: A GROWING STRATEGY**

Jinggong Global Jet Co., Ltd. is a Chinese Private Jet operator based in Hangzhou China. We provide executive Jet charter, aircraft sales and Jet management everywhere in Asia, Middle-East and Europe. Our main objective is to offer an exceptional and detailed service to suit our client's needs and expectations.

## **POWERFULL BACKGROUND**

Jinggong Global Jet was in 2014 formed as a joint-venture between two companies:

- ❖ Jinggong Group, one of the biggest Chinese Group. Over period of 45 years the company has built a successful business pattern. This Industrial giant is composed by three dominants sectors: structure building, equipment manufacture, new material production, as well as aviation services.
- ❖ The second one is Global Jet which is one of the leading European providers of executive jet charter and personalized travel services.

This joint-venture between the strong reputation of a Chinese company and the high-end hospitality of European services is a great advantage for the satisfaction of our clients. The integration of these two great joint business cultures gives us a remarkable Chinese vision of the market associated with the excellence of European hospitality know-how.

## **2017: FRUITFUL YEAR**

Jinggong Global Jet had a fruitful year in 2017, with a new charter flight record of more than 600 hours. The number of request is also growing in the same time, with lot of demand in more than 15 countries. This thanks to a booming and changing Chinese Economy.

We operate two private jets a Falcon 2000EX EASy and a Falcon 7X available from the Hangzhou International Airport. "For Jinggong Global Jet, Hangzhou is the perfect location to base those aircraft. Next to the high density of large corporations present in its close region, it is also right in the middle of China, allowing easy access to Hong Kong, Macau, Beijing, Shanghai or Chengdu. It also offers a wide range of destinations towards Japan, Thailand, Philippines..." explains Chief Executive Officer, Franck Dubarry.
